

# 1 oz Silver Rounds - Secondary Market (Tubes of 20)

Tubes securely hold and protect 20 Silver rounds

.999 fine Silver

Larger Silver quantities provide easier acquisition

All products come from trusted Precious Metal manufacturers

*1 oz Silver rounds are an ideal way to add to your Silver holdings, and secondary market Silver rounds can often be purchased at a lower premium than brand new rounds. Each Silver round is tested for Silver content and purity.*

*Buying in larger quantities helps you add to your Silver holdings at a more efficient rate. Each of these plastic tubes holds, and protects, 20 rounds, meaning you can add 20 oz of .999 fine Silver to your collection in one easy purchase.*

## HIGHLIGHTS

- Tubes of Silver rounds provide more Silver in one purchase.
- Each round contains .999 fine Silver.
- Rounds come from various respected manufacturers such as APMEX, Sunshine Minting, Johnson Matthey and others.
- You may receive rounds from a variety of manufacturers or they may all be the same, based upon available inventory.
