

1 oz Silver Austrian Philharmonics (Random Year)

Following the popularity of the Gold Philharmonics, the Austrian Mint released a Silver Philharmonic in 2008, which became an instant classic for its beautiful design and .999 fine Silver content.

The Silver Philharmonic is the highest minted and most well-known Silver bullion coin from Europe, with more than 54 million coins sold from 2008 to 2012, and the popularity continues with this latest edition.

HIGHLIGHTS

- The Silver Philharmonic is one of the world's favorite Silver bullion products.
- Each coin contains 1 oz of .999 fine Silver.
- Celebrates the musical heritage of Vienna.
