

10 oz APMEX/RMC Co-Brand Silver Bar

When two trusted companies put their heads together to create one great product, the results are often superb. This cobranded 10 oz Silver bar from APMEX and Republic Metals Corporation contains a surprising purity of .9999 fine Silver. Not only does the waving stars and stripes design add an aspect of patriotism, but these stunning Silver bars are made entirely in America using Silver refined on site at Republic Metals Corporation.

Republic Metals Corporation is one of the largest full-service Precious Metals refineries in North America. Using their own state-of-the-art proprietary "Green Refining Technology", Republic Metals has quickly become one of the world's largest and most environmentally sound refineries.
