Buffalo Nickel design of an American Indian in profile

Year of minting

"E pluribus unum" has appeared on American coinage since 1873

Buffalo Nickel design of an American Indian in profile

.9999 fine Gold

Paying tribute to American history, the popular 1 oz Gold Buffalo Coins feature two legendary American icons that are rich and proud in tradition: Native American chiefs and Black Diamond. This Gold coin is acclaimed for its beloved design that is based on James Earle Fraser's popular 1913 Buffalo Nickel design.

The 1 oz Gold Buffalo was the U.S. Mint's first 1 oz .9999 fine Gold coin, making it somewhat unique amongst American coinage. This perfect 70 Gold Buffalo features the APMEXexclusive® Black Diamond label from PCGS, adding further collectible appeal.
