*The hammerhead shark is one of the most recognizable creatures on the planet, and the largest of the species, the great hammerhead shark, is now immortalized in Silver. The Perth Mint, in collaboration with APMEX, has introduced the second release in their Shark Series celebrating this unique and unmistakable hunter.*

*Each of these coins contains 1/2 oz of .999 fine Silver and exhibits a beautiful representation of the strong great hammerhead shark swimming through the water. The coin displays the Silver weight and purity, providing assurance of the high quality of each coin.*

*Since opening in 1899, the Perth Mint has produced and refined large quantities of Gold, Silver and other Precious Metals. Today, the Perth Mint is highly involved in producing a wide array of items for collectors and investors. They beautifully combine unique collectible designs with quality bullion value.*
