Gold weight and purity

The Perth Mint's Lunar series has been popular since its first release, and this 2016 edition is no different. Featuring a unique image of a monkey sitting in a peach tree, along with the classic design of Queen Elizabeth II, these Gold coins would be a great addition to any coin collection. The high relief production gives added depth to the beautiful design, and the mintage of just 388 coins means these Gold coins are treasured amongst collectors.

Since 1999, the Perth Mint has released a unique lunar coin each year. With 12 animals in the Chinese Lunar calendar, each animal comes around once every 12 years, providing collectible appeal to the .9999 fine Gold designs.
