Year of minting

One of the most iconic and fearsome tales of the Bible is now preserved in .999 fine Silver as Scottsdale Mint has released the first coin in its 2016 Biblical Silver Coin Series. Each 2 oz Silver coin in this series depicts a well-known biblical story minted with an antique finish that fits the drama of these iconic stories.

This initial 2016 release features a haunting depiction of Daniel standing in a den surrounded by lions and skeletons, as described in Daniel 6:22-24. The king cast Daniel into the lion’s den as punishment for praying, an illegal act at the time. The next morning, the king found Daniel unharmed, as an angel of God had protected him. The Silver Daniel in the Lion’s Den coin comes from the Scottsdale Mint in a limited mintage of just 1,499 coins, adding further collectibility on top of the already iconic, storied appeal.

HIGHLIGHTS

- Limited Mintage.
- Rimless high relief design is not commonly seen amongst coins.
- Certificate of authenticity features Gustave Doré’s “Daniel in the Lion’s Den,” the basis for the design.
