The Perth Mint's Lunar Series has been popular since its first release and the unique high relief issues are even more brilliant. These Gold and Silver coins come in exquisite Proof finish and have been guaranteed in perfect PR-70 condition by PCGS. Each coin in this set features a special PCGS label and comes with its certificate of authenticity from The Perth Mint.

Since 1999, the Perth Mint has released a unique lunar coin each year. In 2012, after seeing immense popularity since the beginning, the mint released special high relief versions of their beloved lunar coins. These coins, twice as thick as the normal bullion issues, display far greater detail of each lunar animal. Only 7,500 Silver high relief coins are produced each year, with just 388 Gold high relief coins to match.

HIGHLIGHTS
