

# 2017 South Korea 1 oz Silver Chiwoo Cheonwang

*In 2016, the official mint of South Korea, KOMSCO, introduced a new Silver bullion release featuring the legendary Korean figure, Chiwoo Cheonwang. This 1 oz Silver medal was an instant success for its unique subject and exquisite detail. The limited mintage was quickly sold and it became a huge collector's item.*

*KOMSCO introduced the second release in the series in 2017, this time featuring an image of Chiwoo in military dress, ready for battle atop a majestic horse. With a limited mintage of just 50,000 medals, this .999 fine Silver medal continues the popular bullion series with a strong design and bold details.*
