

100 oz Silver Bars - Secondary Market

100 oz Silver bars are an ideal way to add to your Silver holdings, and secondary market Silver bars can often be purchased at a lower premium than brand new bars. Each Silver bar is tested for Silver content and purity.

Larger-size Silver bars help you add to your Silver holdings at a more efficient rate. Each of these large-format bars contains 100 oz of .999 fine Silver, adding more to your investment or collection in one easy purchase.

HIGHLIGHTS

- Packaging may vary but all come in protective cardboard boxes.
- Each bar contains .999+ fine Silver.
- Bars come from various respected manufacturers such as Sunshine Minting, U.S. Assay and many others.
- Bars are randomly selected from a variety of brands and shapes based upon inventory available.
