NGC holder protects the coin's condition and grade

Augustus Saint-Gaudens' famed design featuring Lady Liberty

\$20 face value (USD)

Random years available

Iconic design of an eagle in flight

In 1907, the redesigned \$20 Gold Double Eagle was released, featuring Augustus Saint-Gaudens' design that is often considered the most beautiful design in American coinage. This beloved obverse, featuring Lady Liberty holding a torch and an olive branch, was recreated for the Gold American Eagle series beginning in 1986.

In addition to the classic American designs, each of these coins has been certified to be in MS-63 condition by PCGS, one of the top two coin grading services. This certification adds further collectible appeal to these coins that have not been minted in more than 80 years.

HIGHLIGHTS

- Features the classic Saint-Gaudens design that is loved by coin collectors.
- PCGS certification guarantees the MS-63 grade.
- Random year listings mean you can build your collection easily.
