

APMEXclusive® 1 oz Silver APMEX Stackables™

These 1 oz Silver rounds are beautiful but can also be tangibly enjoyed, providing investments you can, and want to, hold. The APMEXclusive® interlocking ridges allow the rounds to perfectly stack, whether you buy 2 or 200 rounds. Both sides feature an exceptional Proof finish that brings depth and beauty to the .999 fine Silver content.

A unique design is showcased on the reverse of each round. The background features a repeating diagonal pattern of the APMEX Stackables™ logo simulating three stacked rounds. Due to the exceptional finish, the pattern appears almost holographic. In the center of the reverse is a large, raised version of the logo.
