

# 1 oz Gold American Eagles (Random Year)

First released in 1986, the Gold American Eagle series is both a beautiful and patriotic choice. Produced by the U.S. Mint, the Gold Eagle is based on the original design by Augustus Saint-Gaudens for the 1907-1933 \$20 Gold Double Eagle.

For more than 220 years, the United States Mint has produced both circulating coinage and numismatic art, many times one in the same. With an iconic design and 1 oz of actual Gold, the Gold Eagle combines the best aspects of collectibility and bullion investment appeal.
