

1 oz Gold Maple Leafs (Random Year)

The Gold Maple Leaf is considered to be one of the most beautiful Gold coins in the world. Since its release in 1979, the 1 oz Gold Maple Leaf has appealed to both investors and collectors alike for its beauty and purity. Its standard 1 oz size makes it ideal for investing and trading in Precious Metals.

Random year Gold Maple Leafs are an easy way to add high quality Gold bullion to your Gold holdings. The coins minted from 1979 to 1982 have a Gold purity content of .999 fine, while those produced after contain .9999 fine Gold.

HIGHLIGHTS

- The large single maple leaf is one of the most iconic designs featured on coins since 1979.
- The Gold Maple Leaf was the answer to the world's need for Gold bullion coins, preceded only by the South African Krugerrand.
- Coins are chosen at random, creating a wide range of collectible possibilities in a single product.
