

1 oz Rand Refinery Mirage Gold Bars

These unique Gold bars combine .9999 fine Gold value with an interesting design, making them appealing to investors and collectors worldwide. The bar features an image of two elephants, shown mirroring each other, minted in opposing finishes. This Mirage line also includes bars ranging from 5 grams up to 100 grams.

Rand Refinery has refined nearly 1/3 of all the Gold mined worldwide since 1920. They are most known for their partnership with the South African Mint in production of the widely popular Gold Krugerrand.

HIGHLIGHTS

- Rand Refinery has been a staple in the Gold refining world for more than 90 years.
- Each bar is produced in a mirrorlike finish.
- All bars in this series feature .9999 fine Gold.
- Additional sizes available.
