

100 oz Secondary Market Silver Bars

100 oz of Silver

Large-format "brick" style bars make acquiring Silver easy

All bars contains .999+ fine Silver

Variety of designs, adding some collectibility

When it comes to investing in high-quality Silver, buying large-format bars is an easy way to add to your holdings with one purchase. Secondary market Silver bars can often be purchased at a lower premium than brand new bars. Each Silver bar is tested for Silver content and purity.

Larger-size Silver bars help you add to your Silver holdings at a more efficient rate. Each of these large-format bars contains 100 oz of .999+ fine Silver, adding more to your investment or collection in one easy purchase.

HIGHLIGHTS

- 100 oz Silver bars backed by well-known names such as Sunshine Minting, U.S. Assay and many others.
- Large-format bars are ideal for investing.
- Packaging may vary but all come in protective cardboard boxes.
