

1 oz Proof Gold American Eagle Random Year (w/Box & COA)

Since being introduced in 1986, the Gold American Eagle has become the most popular Gold coin in the United States. The obverse features a recreation of Augustus Saint-Gaudens' 1907 Gold Double Eagle design, often considered the most beautiful design in American coinage. Both the obverse and reverse feature iconic American images, embodying the strength and family values so prevalent in American society.

Each of these 1 oz Proof Gold Eagles come with a certificate of authenticity from the U.S. Mint. This certificate guarantees the Gold weight and purity and provides assurance of the origins of the Gold Eagle. Each coin comes protected in a plastic capsule and displayed in a beautiful U.S. Mint presentation box.
