

25th Anniversary Silver Maple Leafs

In 2013, the Royal Canadian Mint released this special edition 25th Anniversary Silver Maple Leaf coin to commemorate this memorable occasion. Highly sought after, this collectible has a limited mintage of only 1,000,000 coins. First introduced in 1988 and like those previous in the series, the coin's reverse design showcases a detailed single maple leaf, closely associated with Canadian nationalism and pride.

A world leader in the Precious Metals industry, the Royal Canadian Mint prides itself in producing high-quality coins and bars with many breathtaking depictions of North America's natural wonders and wildlife. Recently, the RCM and APMEX partnered together to create the stunning 2015 3/4 oz Silver Canadian Grey Wolf coin.
