

# 1 oz Silver Perth Mint Funnel-Web Spider

*The Perth Mint is known for their designs of exotic creatures, and this stunning Silver coin combines the appeal of .999 fine Silver bullion with an exquisite visual image of a funnel-web spider, a subfamily of spider containing 35 species, all native to Australia.*

*As a follow-up release to the popular Silver Saltwater Crocodile coin, this Silver Funnel-Web Spider features another dangerous animal in realistic detail. They are sure to be a hit with a collector of Perth Mint Silver coins or anyone interested in unique Australian creatures.*

## HIGHLIGHTS

- Perth Mint is known for its high quality bullion and beautiful designs.
- Follow-up release to the popular Saltwater Crocodile coin.
- Each coin comes in protective plastic.
