Image of the iconic U.S.S. Enterprise NCC-1701

Classic Starfleet insignia imprinted with a "50"

Perth Mint's "P" mintmark

Portrait of Queen Elizabeth II

\$1 per coin (AUD)

Backed by the government of Tuvalu

Gene Roddenberry's *Star Trek* debuted in 1966, and ran until 1969. Set in the future, the science fiction series followed the 23rd century adventures of key characters that included Captain James T. Kirk, the part-human part-Vulcan character Spock, and Dr. Leonard "Bones" McCoy.

Since its debut, *Star Trek* has developed into a cultural phenomenon with a range of spinoff television series and a number of feature films. The series explored a variety of societal themes and issues including a Utopian society, war and peace, imperialism, economics, racial equality, religion, human rights, feminism, and the role of technology.

This 1 oz Silver coin from the renowned Perth Mint brings to life one of the most iconic images in all of television: The U.S.S. Enterprise flying through space. Celebrate *Star Trek's* 50th anniversary with this .999 fine bullion coin that carries a limited mintage of 50,000 coins and an exquisite design sure to be loved by collectors around the world.
