Year of minting

\$1 face value (AUD)

In April 2017, The Perth Mint released the inaugural issue in a new Swan Series. This beautiful coin, which brought the elegant Perth Mint logo to life in Silver, saw extreme popularity and sold out worldwide in less than two days. As a follow-up, the mint introduced a Proof Silver version of this treasured beauty.

With an extremely low mintage of 2,500 coins, all containing .9999 fine Silver, this coin perfectly combines investor appeal with collectible sentiment. Adding to the collector appeal, these NGC-certified Proof Swans carry a perfect-70 grade, ensuring they are in the best condition possible. Additionally, the Early Releases label ensures that the coin was shipped by the mint within the first 30 days of release.
