

2017 Australia 1 oz Silver Swan

Following the popularity of the Kookaburra and Koala series, The Perth Mint has introduced a new Silver Swan series celebrating the iconic bird known around the world. The mint has long used the swan as their recognizable logo, and that logo is now brought to life in Silver. This series begins with this first release featuring an elegant swan floating in rippled waters.

The ripples of the coin extend beyond the legend, seeming to overlap the coin itself. These 1 oz Silver Swan coins contain .9999 fine Silver and come individually package in a plastic capsule. With a high Silver content and a limited mintage of 25,000 coins, this Silver Swan is sure to match, or even exceed, the popularity of the Silver Koala and Silver Kookaburra coins.
