*This 5-coin set is an easy way to start or build any America the Beautiful collection. Containing all five releases from 2017, this set features the coins celebrating Effigy Mounds National Monument, Frederick Douglass National Historic Site, Ozark National Scenic Riverways, Ellis Island National Monument and George Rogers Clark National Historic Park.*

*The U.S. Mint began its America the Beautiful series in 2010, releasing a unique design for a national park, forest or monument in each state and U.S. territory. The 5 oz Silver coins have gained popularity over the years for their designs and limited mintages. Their premiums have consistently increased year over year as well, adding further collectible appeal to these .999 fine Silver coins.*
