In 2017, to celebrate the continued popularity of the Silver Kookaburra series, The Perth Mint teamed up with APMEX to release a unique 2-coin set. This special set features not only the beloved, traditional release, but also a special Proof coin. Since the Proof coin is only found in this set, there will only be 1,000 Proof Silver Kookaburras minted, adding even further collectibility to the treasured coin.

Since 1990, the Silver Australian Kookaburra has been a popular series worldwide and is the longest-running bullion series from The Perth Mint. Each year features a new design of a kookaburra, making this a perfect collectible. The kookaburra is one of the most recognizable animals of Australia, and these coins pay tribute to the beloved creature.
