

2017 South Africa 1 oz Silver Krugerrand Premium BU

The Gold Krugerrand was released in 1967 as the world's first modern Gold bullion coin. Since its release, it has remained one of the most popular Gold coins ever minted, with a simple, classic design. In 2017, to celebrate the coin's 50th anniversary, the South African Mint released the first-ever Silver Krugerrand, allowing numerous investors the chance to own this iconic design at a more accessible price point.

The South African Mint is producing just 1,000,000 of these exceptional Silver coins and they are sure to sell quickly. The mint is considering these Silver Krugerrand coins to be Gem Premium Uncirculated, due to the quality of the Silver being used and the state-of-the-art technology enhancing the detail of the coin.
