First introduced in 2006, the Burnished Gold Eagle is considered the premier collector's version of the popular Gold American Eagle. Since 2012, the 1 oz Burnished Gold Eagle has seen significantly lower mintages than its bullion counterpart, adding increasing collectibility to the series.

This 2017 Burnished Gold Eagle is further enhanced by the PCGS label, which guarantees this coin is in perfect 70 condition, the highest grade on the Sheldon Grading Scale. Additionally, this coin features the First Strike label, ensuring the coin was received by PCGS within the first 30 days of release from the U.S. Mint, meaning it is in the highest quality available.
