Perth Mint's "P" mintmark

The Perth Mint's lunar series has been popular since its first release, and this 2018 edition is no different. Featuring a unique image of a dog and pup lying in the grass, along with the classic design of Queen Elizabeth II, these Silver coins would be a great addition to any coin collection. The added appeal of the APMEXclusive® red label makes this a highly collectible issue.

Since 1999, the Perth Mint has released a unique lunar coin each year. With 12 animals in the Chinese Lunar calendar, each animal comes around once every 12 years, providing collectible appeal to the Silver designs. In 2017, the Silver Lunar series increased its content to .9999 fine Silver, making it more pure than previous Silver lunar releases.
