

U.S. Mint Gold \$5 Commems BU/Proof

Designs vary, but all celebrate America: Presidents, the Statue of Liberty and the Olympics are just a few popular designs

\$5 face value listed on all coins

Designs vary based on subject of the coin

All coins contain 90% Gold

Since 1986, the United States Mint has produced 90% Gold coins celebrating a wide range of historic American people, places and events, including the Olympics, the Statue of Liberty, Mount Rushmore and various presidents. These 90% Gold coins are the same size as Pre-33 \$5 Gold coins, so they make perfect tributes to Americana.

This listing for \$5 Gold Commems includes not only various designs but various finishes as well. We include both Brilliant Uncirculated and Proof coins so you have the opportunity to add many interesting and beautiful coins to your collection with one easy purchase.

HIGHLIGHTS

- 90% Gold coins are an easy way of adding Gold to any collection.
- Various designs celebrate American people, places and events.
- Coins come in plastic capsules.
